Movie showing of Disney's Inside Out

Saturday, February 25th

Experiencing a wide range of feelings is a normal and expected part of the grief process. Join us for a child friendly movie showing of "Inside Out" about a girl named Riley whose emotions guide her through a significant move in her life. Movie will be a private showing at Collins Road Theaters, popcorn and a drink provided. We will have a brief informational gathering after the show to answer any grief related questions and offer support.

RSVP is required for all events as space is limited.
